## **- ATTENTION RESIDENTS - Traffic Restrictions for the 4<sup>th</sup>**

In order to protect your interests and provide emergency access to West Beach and several surrounding streets, the Beverly Police have requested that certain sections of the Farms be closed to vehicular traffic by 7:00 p.m. on the night of the fireworks. The affected streets are: WEST Street, VINE Street, OAK Street, GROVE Street, BEACH Street, VALLEY Street, JUNIPER Street, HALE Street (from the corner of Hale and Haskell to Lee's Crossing), EVERETT Street, HIGH Street, and HART Street (from the corner of Haskell and Hart to Hale). Basically, *we are cutting off all traffic leading into the center of Beverly Farms and West Beach at the following junctures: the corner of Hale and Haskell Streets, the corner of Hart and Haskell Streets, and the corner of Hale and West Streets at Lee's Crossing.* Only residents of those streets who can prove they live in the affected area will be permitted to drive into those areas. Proof will be provided by car registration only, not a driver's license. Traffic will be allowed to flow *from* Manchester along Hale Street to Hart Street, but traffic going to Manchester will be stopped and told to use Route 128. We strongly urge all residents to *walk to the fireworks and provide parking for your guests.*

**PLEASE REMEMBER THAT NO VEHICLES, UNLESS NOTED ABOVE, WILL BE ALLOWED TO ENTER WEST BEACH OR THE ABOVE MENTIONED STREETS AFTER 7:00 p.m.**
